PRESCRIPTIONS AND COSENTYX® CONNECT PATIENT SUPPORT START FORM

PHONE: 1-844-267-3689; FAX: 1-844-666-1366

Please read the following carefully, then sign and date where indicated on page 1.

Patient Authorization

I authorize my healthcare providers, pharmacies and health insurers, and their service providers ("Providers") to disclose information relating to my insurance benefits, medical condition, treatment, and prescription details ("Personal Information") to Novartis Pharmaceuticals Corporation, its affiliates and service providers ("Novartis"), and the Novartis Patient Assistance Foundation, Inc., and its service providers ("NPAF") so they can provide the following support services (the "Services"):

- Help coordinate insurance coverage for, access to, and receipt of my medication
- Communicate with me about possible financial assistance, including Novartis co-pay or NPAF programs, and, if I am enrolled, administer my participation in those programs
- Communicate with me about my medication and treatment, including reminders, health and lifestyle tips, and product and other related information. Communications may be customized based on Personal Information obtained from my Providers
- Conduct quality assurance and other internal business activities, and ask for feedback related to the Services or my treatment

In delivering the Services, Novartis and NPAF may share my Personal Information with each other, with my Providers, or with government agencies or other financial assistance programs that might help me pay for my medication. They may combine information collected from me with information collected from other sources and use that information to administer the Services. My pharmacies or other healthcare providers may receive payment from Novartis or NPAF for providing certain aspects of the Services, such as medication or refill reminders, based on my enrollment or participation. Once I authorize disclosure of my Personal Information, it may no longer be protected by federal health privacy law and applicable state laws.

I understand that I do not have to sign this Authorization to get my medication or insurance coverage, that I have a right to a copy, and I can cancel this Authorization at any time by calling 1-844-267-3689 or writing to:

Customer Interaction Center Novartis Pharmaceuticals Corporation One Health Plaza East Hanover, NJ 07936-1080

This Authorization will expire 5 years after I sign it, or earlier if required by state law, unless I cancel it sooner. If I cancel it, I may no longer qualify for Services from Novartis or NPAF, but it will not impact my Providers' treatment or my insurance benefits. I also understand that if a Provider is disclosing my Personal Information to Novartis or NPAF on an authorized, ongoing basis, my cancellation will be effective with respect to that Provider as soon as they receive notice of my cancellation. Cancellation will not affect prior uses or disclosures.

I agree for myself and certify (if applicable) that my caregiver agrees to receive nonmarketing calls and texts from Novartis or NPAF, including through an autodialer or prerecorded voice, at the number(s) provided.
